Why Use eFAST

- **eFAST** is the FAA's preferred acquisition vehicle for fulfilling agency small business goals.
- **eFAST** competition processes streamline new contract awards.
- To tailor customized solution, eFAST provides multiple contract types: firm fixed, cost reimbursable, time and materials, and labor hour.
- **eFAST** processes are automated and structured to facilitate rapid procurements and efficient administration.
- **eFAST** is an agency-wide acquisition vehicle. It can be used by all FAA organizations and other federal agencies when in the best interest of the government.

Edgewater Overview

Edgewater Federal Solutions, Inc. is a leading-edge IT solutions firm committed to supporting its clients with the highest quality, efficiency, and responsiveness possible. We provide services that span the entire lifecycle of IT programs and projects. We focus on aligning overall business missions and requirements with proven strategies and innovative technologies, along with developing customized, realistic, and visionary solutions to meet our clients' unique needs and provide end-to-end security capabilities.

Our staff is comprised of highly talented and dedicated employees. Over 70 percent of our staff has a top secret clearance and many professional certifications, such as Project Management Professional (PMP)-certified project managers, Certified Information System Managers/Security Professionals (CISM/CISSP), National Security Agency's INFOSEC Assessment Methodology (IAM), and Enterprise Architecture Certification. Our core values are: Teamwork, Respect, Integrity, Assurance, Excellence, and Results.
